

## Preface

We would like to welcome you to the regular proceedings of the second International Mega-Conference on Green and Smart Technology (GST 2015) will be held on December 16 - 19, 2015 at Jeju National University International Center, Jeju Island, Korea.

This will provide a chance for academic and industry professionals to discuss recent progress in the related areas. We expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject. We would like to acknowledge the great effort of all the chairs and members of the editorial committee.

We would like to express our gratitude to all of the authors of submitted papers and to all attendees, for their contributions and participation. We believe in the need for continuing this undertaking in the future.
