

Preface

We would like to welcome you to the Regular Paper Proceedings of the 7th International Conference on Next Generation Computer and Information Technology (NGCIT 2018) which was held on August 23 - 25, 2018 at Royton Sapporo, Hokkaido, Japan.

This will provide a chance for academic and industry professionals to discuss recent progress in the related areas. We expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject. We would like to acknowledge the great effort of all the Chairs and members of the International Editorial Committee.

We would like to express our gratitude to all of the authors of submitted papers and to all attendees, for their contributions and participation. We believe in the need for continuing this undertaking in the future.

August 2018
