

Preface

We would like to welcome you to the Regular Papers proceedings of the 2nd International Conference on Computer and Applications (CCA 2013) which was held on April 18 - 20, 2013 at Heilongjiang Trade Union Mansion, Harbin, China.

CCA 2013 is focused on various aspects of advances in researches on Computer and Applications. It provided a chance for academic and industry professionals to discuss recent progress in the related areas. We expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject. We would like to acknowledge the great effort of all the Chairs and members of the Editorial Committee.

We would like to express our gratitude to all of the authors of submitted papers and to all attendees, for their contributions and participation. We believe in the need for continuing this undertaking in the future.
