

## **Preface**

We would like to welcome you to the Regular Papers proceedings of International Workshop on Bioscience and Medical Engineering 2013 that was held on December 11-13, 2013 at Jeju Island, Korea.

These will provide a chance for academic and industry professionals to discuss recent progress in the related areas. We expect that the workshop and its publications will be a trigger for further related research and technology improvements in this important subject. We would like to acknowledge the great effort of all the Chairs and members of the Editorial Committee.

We would like to express our gratitude to all of the authors of submitted papers and to all attendees, for their contributions and participation. We believe in the need for continuing this undertaking in the future.

December 2013
