

## Preface

We would like to welcome you to the Regular Paper proceedings of the 3rd International Conference on Sensor and Its Applications (SIA 2014), the 2nd International Conference on Advanced Computer and Information Technology (ACIT 2014) that was held on July 9-12, 2014 at School of Engineering and Computer Science, Oakland University, Michigan, USA.

The 3rd International Conference on Information Technology and Computer Science (ITCS 2014) and the 4th International Conference on Circuits, Control, Communication, Electricity, Electronics, Energy, System, Signal and Simulation (CES-CUBE 2014) that was held on July 17-20, 2014 at Pacific Islands Club, Saipan, USA

These will provide a chance for academic and industry professionals to discuss recent progress in the related areas. We expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject. We would like to acknowledge the great effort of all the Chairs and members of the Editorial Committee.

We would like to express our gratitude to all of the authors of submitted papers and to all attendees, for their contributions and participation. We believe in the need for continuing this undertaking in the future.
