

Preface

We would like to welcome you to the regular paper proceedings of the 2nd International Conference on Advanced Information and Computer Technology (AICT 2014), the 3rd International Conference on Human Computer Interaction (ICHCI 2014), the 3rd International Conference on Smart Phone, Device and Applications (SPDA 2014), the 3rd International Conference on Intelligent Urban Computing (IURC 2014) and the 5th International Conference on Security-enriched Urban Computing and Smart Grid (SUComS 2014) that were held on August 14 - 17, 2014 at BEST WESTERN Hotel Hungaria, Budapest, Hungary.

These will provide a chance for academic and industry professionals to discuss recent progress in the related areas. We expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject. We would like to acknowledge the great effort of all the Chairs and members of the Editorial Committee.

We would like to express our gratitude to all of the authors of submitted papers and to all attendees, for their contributions and participation. We believe in the need for continuing this undertaking in the future.
